Every year, UM faculty, departments, grateful patients, friends, students, alumni, corporate partners, and others showcase their support by creating their own team within the Team Hurricanes family at the Dolphins Challenge Cancer (DCC). A few examples of these teams include: "Team Hurricanes – Sylvester Development," "Team Hurricanes – Mack Cycle," and "Team Hurricanes – Law School."

The DCC has raised more than **\$39 million** to fund lifesaving cancer research at UM Sylvester Comprehensive Cancer Center, and **100% of every participant-raised dollar** helps the pursuit for the next breakthrough, the next discovery, the next cure.
