Keratoconus: Basics and New Advances, An Interactive Course and Wet Lab

March 23, 2019

Bascom Palmer Eye Institute invites you to Miami this spring to join us for our *Bascom Palmer Keratoconus: Basics and New Advances* CME program. This unique and exciting **symposium and wet lab** will be held March 23, 2019 at the Bascom Palmer Eye Institute in Miami. *Come see us this spring in Miami!*

DATE

Saturday, March 23, 2019: 7:50 am to 5:30 pm

LOCATION

Bascom Palmer Eye Institute
900 NW17th Street
Miami, Florida 33136

COURSE DESCRIPTION

This one-day course is designed for ophthalmologists, optometrists and contact lens specialists whose clinical practices include comprehensive ophthalmology, corneal diseases, refractive surgery, primary care optometry and contact lens fitting.

A distinguished panel of guest speakers and Bascom Palmer faculty will use an interdisciplinary, interactive approach as they present a variety of clinical vignettes to illustrate the new paradigm in the diagnosis, treatment and visual rehabilitation of patients with keratoconus.

Topics will include:

- The new paradigm in the surgical treatment of patients with keratoconus including corneal collagen crosslinking, intracorneal rings and keratoplasty, with illustrative video-based presentations
- New advances in diagnostic techniques to identify patients with keratoconus and those at risk of developing post refractive surgery corneal ectasia
- New advances in contact lenses for the visual rehabilitation of patients with keratoconus

COURSE OBJECTIVES

Upon completion of this program, participants should be able to:

- Interpret results of corneal topography or tomography for screenings of patients with keratoconus
- Incorporate novel diagnostic techniques in the diagnosis of patients with keratoconus
- Incorporate evidence-based decision-making when planning surgery for patients with keratoconus
- Incorporate the new contact lenses technologies for visual rehabilitation of patients with keratoconus
- Identify contact lens intolerance and identify best management regimen to improve patient tolerance or deciding to move to another treatment modality
- Identify and better manage the systemic and ocular diseases associated with keratoconus
- Appraise when and how to perform various surgical techniques to treat keratoconus
- Prevent and recognize intraoperative complications and manage the complications from corneal surgery for patients with keratoconus
- Identify patients with progressive keratoconus and better determine who is an appropriate candidate for crosslinking and determine appropriate timing of treatment using an evidence-based approach

Program

Subject to change

SATURDAY, MARCH 23, 2019

- 7:00 am **Registration and Continental Breakfast**
- 7:50 **Welcome and Overview**
Mohamed F. Abou-Shousha, MD, PhD
SESSION I: Diagnosing Keratoconus
Moderators: Anat Galor, MD, MSPH and Allister G. Gibbons, MD
- 8:00 Etiology: Genetics, Inflammation, Allergy and Eye Rubbing
Anat Galor, MD, MSPH
- 8:10 Modern Day Corneal Topography, Tomography, and Eliminating the Risk of Ectasia: Part 1
Stephen D. Klyce, PhD, FARVO
- 8:20 Modern Day Corneal Topography, Tomography, and Eliminating the Risk of Ectasia: Part 2
Stephen D. Klyce, PhD, FARVO
- 8:30 Corneal Microlayer Tomography for the Diagnosis of Keratoconus
Mohamed F. Abou-Shousha, MD, PhD
- 8:40 Aberrometry and Hysteresis in Keratoconus
Luis Fernandez-Vega, MD
- 8:50 Risk Factors for Post-LASIK Ectasia
Steven C. Schallhorn, MD
- 9:00 Case Presentations and Panel Discussion
Panelists: Mohamed F. Abou-Shousha, MD, PhD; Luis Fernandez-Vega, MD; Anat Galor, MD, MSPH; Allister G. Gibbons, MD; Stephen D. Klyce, PhD, FARVO; Steven C. Schallhorn, MD; and Sonia H. Yoo, MD
- 9:30 **Refreshment Break**
SESSION II: Treatment Part 1
Moderators: Kendall E. Donaldson, MD, MS; and Mohamed F. Abou-Shousha, MD, PhD
- 10:00 Contact Lenses Choices for Keratoconus Patients
Edward Boshnick, OD, FAAO, FSLs
- 10:15 Ocular Surface Disease and Keratoconus
Marguerite B. McDonald, MD, FACS
- 10:30 Cataract and Keratoconus?
Kendall E. Donaldson, MD, MS
- 10:45 Glaucoma and Keratoconus?
Richard K. Lee, MD, PhD
- 11:00 Phakic Lenses in Keratoconus
Steven C. Schallhorn, MD
- 11:15 What's New in Scleral Lenses?
Chandra Mickles, OD, MSc, FAAO, FSLs
- 11:30 **Case Presentations and Panel Discussion**
Panel: Edward Boshnick, OD, FAAO, FSLs; William W. Culbertson, MD; Kendall E. Donaldson, MD, MS; Richard K. Lee, MD, PhD; Chandra Mickles, OD, MSc, FAAO, FSLs; and Marguerite B. McDonald, MD, FACS

- 12:00 pm **Lunch**
- SESSION III: Treatment Part 2**
Moderators: William W. Culbertson, MD, Sonia H. Yoo, MD and Mohamed F. Abou-Shousha, MD, PhD
- 12:45 Penetrating and Deep Lamellar Keratoplasty
Mohammad F. Anwar, MD
- 1:00 Corneal Rings for Vision Rehabilitation
Luis Fernandez-Vega, MD
- 1:15 Crosslinking, Indications and Contraindication
Rajesh K. Rajpal, MD
- 1:30 Crosslinking Plus: Combined with Intra-Corneal Rings or with Small Incision Lenticule (SMILE)
Osama Ibrahim, MD
- 1:45 Current Advances in Crosslinking - Customized and Epi-On Approaches
Rajesh K. Rajpal, MD
- 2:00 Case Presentations and Panel Discussion
Panel: Mohammad F. Anwar, MD; Luis Fernandez-Vega, MD; Osama Ibrahim, MD; and Rajesh K. Rajpal, MD
- 2:30 **Refreshment Break**
- SESSION IV: Wet Labs**
Bascom Palmer Eye Institute 6th Floor
**This session is not accredited for CME*
- 2:45 - 4:00 **Wet Lab 1:** Crosslinking and Corneal Rings
Rajesh K. Rajpal, MD and Luis Fernandez-Vega, MD
- Wet Lab 2:** Deep Anterior Lamellar Keratoplasty
Mohammad F. Anwar, MD
- Wet Lab 3:** Diagnosis of Keratoconus Bootcamp
Stephen D. Klyce, PhD, FARVO
- Wet Lab 4:** Contact Lens Fitting
Edward Boshnick, OD, FAAO, FSLs and Chandra Mickles, OD, MSc, FAAO, FSLs
- 4:15 - 5:30 **Wet Lab 1:** Crosslinking and Corneal Rings
Rajesh K. Rajpal, MD and Luis Fernandez-Vega, MD
- Wet Lab 2:** Deep Anterior Lamellar Keratoplasty
Mohammad F. Anwar, MD
- Wet Lab 3:** Diagnosis of Keratoconus Bootcamp
Stephen D. Klyce, PhD, FARVO
- Wet Lab 4:** Contact Lens Fitting
Edward Boshnick, OD, FAAO, FSLs and Chandra Mickles, OD, MSc, FAAO, FSLs
- 5:30 **Adjourn/Cocktail Reception**

Speakers

COURSE DIRECTOR

Mohamed F. Abou-Shousha, MD, PhD

Assistant Professor of Clinical Ophthalmology
Bascom Palmer Eye Institute

DATE

Saturday, March 23, 2019: 7:50 am to 5:30 pm

LOCATION

Bascom Palmer Eye Institute

900 NW 17th Street, Miami, Florida 33136

CONFERENCE FEES \$250

Conference fees include course materials, welcome reception, continental breakfast, lunch and refreshment breaks.

CANCELLATION POLICY

Conference tuition, less a \$50 cancellation fee, is refundable if notice is received by March 8, 2019. No refunds shall be considered after March 8, 2019 or after sixty (60) days following payment.

ACCREDITATION

The University of Miami Leonard M. Miller School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

***COPE** (Council on Optometric Practitioner Education) CE Approval Pending.

CREDIT DESIGNATION

The University of Miami Leonard M. Miller School of Medicine designates this live activity for a maximum of **5.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SERVICES FOR THE DISABLED

If special arrangements are required for an individual with a disability to attend this conference, please contact Karen Davila at (305) 326-6110 on or before March 8, 2019.

DISCLOSURE AND CONFLICT OF INTEREST RESOLUTION

All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

REGISTRATION

To register on-line:

Please visit:
