54th Annual Residents' Day

June 16, 2018

Bascom Palmer Eye Institute invites you to join us this June for our 54th Annual Residents' Day program. The Residents' Day program provides an educational forum for Bascom Palmer residents, fellows, faculty, and alumni to present clinical and basic science research. It will be held at the Jose Berrocal Auditorium at the Bascom Palmer Eye Institute in Miami, FL on June 16, 2018. We hope you will join us!

Chief Residents:
Jack Stringham, II, MD and Sarah Read, MD, PhD

DATE

Saturday, June 16, 2018: 8:00 am – 4:00 pm

LOCATION

Bascom Palmer Eye Institute
Jose Berrocal Auditorium
900 NW 17th Street, Miami, FL 33136
(305) 326-6000

COURSE DESCRIPTION

This program is designed for the residents, fellows, faculty and alumni of the Department of Ophthalmology, University of Miami Miller School of Medicine, and community ophthalmologists.

Participants will be updated on new instrumentation available and also on the progress of on-going clinical studies and research and their effects on the treatment of patients. Didactic presentations will be augmented with audiovisuals in addition to question/answer periods.

COURSE OBJECTIVES

Upon completion of this program, participants should be able to:

- Compare indications and techniques for vitreoretinal surgical procedures
- Diagnose ocular infectious diseases through the use of microbiology
- Identify ocular neoplasms and other corneal conditions
- Determine appropriate use of intraocular injections
- Examine diagnostic capabilities of imaging for glaucoma and formulate treatment plans based on imaging data
