

Bascom Palmer's success is often focused on the achievements of our physicians and scientists. However, these accomplishments would not be possible without the help of our donors who support the Institute's sight-saving mission.

We honor and thank our many supporters for their generous commitment and philanthropy.

# The Bascom Palmer Society

Honoring the Institute's most generous benefactors whose gifts exceed \$1 million, the Bascom Palmer Society was created in memory of the Institute's namesake, Dr. Bascom H. Palmer, an ophthalmologist who pioneered eye care in Miami.

## EDUCATION FOCAL POINT

Thanks to a \$500,000 gift from a long-time friend of Bascom Palmer, the conference center at Bascom Palmer at Palm Beach Gardens has a new name. **The McNulty Charitable Foundation Education & Conference Center** will be the hub of education and programming for the community as well as ophthalmic clinicians and scientists. The McNulty Foundation was established by Patience McNulty Campbell in 1987 and has been a generous Bascom Palmer supporter since its inception. Bascom Palmer thanks the foundation's trustees: Dale McNulty, Kim K. Campbell and Robert D. Harvey, as well as Heather Wyser-Pratte who serves as advisor to the trustees, for their commitment to advance vital sight-saving knowledge.
